DJ LIL' JOHN®

DJ LIL' JOHN is without question one of Chicago's most well-respected DJs. From school gymnasiums to roller rinks, from nightclub residencies to nationally syndicated mix-shows, millions of people have heard his "hands do the talking".

John's passion has always been in radio. He played on various college radio shows right after graduating high school, without ever enrolling in any classes! Soon after, he created his own national mix-show syndication, mailing his pre-recorded mini-mixes on cassette tapes to several radio stations across the Midwest. By the mid 90's, he used the same tactics in Chicago, getting his mixes played on WHPK, WCRX, WJPC, WLUW, B-96, and WGCI. And by 2001, the latter station became his radio "home" for eight years!!

In 2012, DJ Lil' John found a new radio home, as an on-air personality for Crawford Broadcasting's WSRB. You can hear him weekdays from 3 -7pm Central time on his highly-rated afternoon show "PrimeTime Radio". You can also hear his mini-mixes Monday thru Saturday in the 12pm & 5pm hours, and on "Club 1063", Friday nights from 9pm-11pm.

Outside of radio, DJ Lil' John specializes in playing at corporate events, nightclubs, weddings, and concert hosting. Recent clients include BET®, Scion®, Apple®, Nike®, and numerous Chicagoland municipalities. Nationally, he is a member of The Core DJs (@coredjsworldwide), the world's largest & most influential DJ union. He is available for travel both nationally and internationally.
